

Sycamore Ridge School

Welcome to Sycamore Ridge School!

Welcome to our community. Sycamore Ridge is a wonderful place for your child to spend their elementary school years. The parents, staff and organizations on our campus work together to provide our children with boundless opportunities for learning in a safe and loving environment. We would like to take a moment to introduce you to two of the organizations involved in rounding out your child's educational experience at Sycamore Ridge: The Parent Teacher Association and the Del Mar Schools Education Foundation.

Sycamore Ridge PTA

Enhancing Your Child's Learning

The Sycamore Ridge School Parent Teacher Association (PTA) sponsors programs and services that make an important contribution to the development of your child's school experience. Every membership makes a difference! Here are a few of the activities and contributions made possible by the PTA:

- Teacher Mini-Grants
- Yearbook
- School Assemblies
- Stallion Sprinters
- Parent Education Nights
- Stallion Stampede

We hope you will support us by becoming a PTA member. Your financial support goes a long way toward providing fun and educational programs for your children. The cost of the annual membership is \$25.00 per family which includes several member benefits. We invite you to join us to make a difference in the education of our children. Please visit us online at www.sycamoreridgepta.com.

Del Mar Schools Education Foundation

Supporting Your Student's Learning

The Del Mar Schools Education Foundation (DMSEF) raises funds to supplement a very special enrichment program called the Extended Studies Curriculum (ESC). This program touches our children every day by providing accredited teachers in:

- Science
- Music
- Art
- Technology
- Physical Education

Recent state education budget cuts have made it necessary to rely on parent donations to fully fund this program. Each year the DMSEF is challenged to raise enough money to bridge the significant gap between the teachers' salaries that our District can fund and the salaries necessary to fund a full ESC program.

With your help, we can continue to provide every student attending elementary school in the Del Mar Union School District with this important program. Our goal at Sycamore Ridge is to have 100% participation from parents during our annual appeal. Please visit us online at www.delmarkids.org and keep an eye out for our annual appeal letter which will come home in your child's backpack this September.
