### WHAT ARE THE ENCLOSED LETTERS FOR?????

I have enclosed a few copies of our Donation Letter and Tax ID form. We are hoping that you can help us by mailing out these letters to someone you know that might be able to donate something to our event. We all know people with small businesses or that work at a restaurant/hotel that would offer a donation of any value. We appreciate you helping with this and thank you for placing the postage on the envelopes to help keep our cost down. If you could let me know whom you have contacted I would appreciate it so I may follow up with them. If you do not plan to use these, simply return them in your child's Wednesday folder. Additional copies are available at the front desk or at the RidgeRaising website:

Thank you in advance for your help! Every little bit helps!
